The still best reference book on Gunsmoke handsomely reprintedBy The Multimedia KidThe re-printing of the still best reference souce book on Gunsmoke is excellent. A pity, though, it isn't available as a Kindle publication.12 of 13 people found the following review helpful. Great book for Gunsmoke fans!By M. BykowskiMy mother is an avid GS fan! She now lives in a nursing home and watches Gunsmoke and Bonanza religiously! She talks about all aspects of the show and wondered how it all started and about the actors that were in different episodes. So, when her birthday rolled around, I got these books. It's a two volume set and she loves it! I think for a GS fan, it's loaded with info on the series, episodes, actors, etc. It has so much that the average person may not know.1 of 1 people found the following review helpful. This is a great set for anyone hooked on the TV showBy Pat in NHThis is a great set for anyone hooked on the TV show. Good for reference and little known facts about the cast. Gives great insight into the making of the TV series in the early 60's. We always refer to these books while we watch Gunsmoke. If you love Festus, Kitty and Matt, buy these books!

The series ran nine years on radio and twenty on television--the all-time longest running prime-time program with continuing characters. It introduced to the American people a cast of characters that quickly took on mythic proportions. There are 74 in-depth interviews and reminiscences by principal performers (Arness, Blake, Weaver, et al.), guest stars (Hartley, O'Connor, Leachman, Reynolds, Conrad, et al.), and directors, writers and producers associated with the radio and television programs. A 128-page section contains 246 photographs of guest stars and leads. A comprehensive episode-by-episode guide provides entries for more than 1,000 radio and television programs, spanning 23 years, and for each includes title, synopsis, air date, cast, director, writer, producer and anecdotal information. Eleven appendices: memorable quotes, the writers, TV schedules, radio and TV awards; principal performers' credits Enormous index.

"I cannot imagine a Gunsmoke fan being disappointed by this substantial and important volume. Essential reading...definitive...fabulous...one of the best of all time, it's that comprehensive." --Classic Images"The ultimate treatise." --Western Clippings"Valuable...excellent." --Choice"The ultimate treatise." --Western Clippings"Valuable...excellent." --ChoiceAbout the AuthorSuzAnne Barabas lives in West Long Branch, New Jersey.
