**Bernadette Peters : Gypsy Broadway Revival Edition Vocal Selections** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gypsy Broadway Revival Edition Vocal Selections:

2 of 2 people found the following review helpful. Great Show. Great Score. Great Deal. By M. Bicknell I am currently playing "Mama Rose" in a production of Gypsy and found the vocal score from Tams Whitmark difficult to use. This piano vocal score is absolutely complete and made learning the role ever so much easier. The book was nicely bound and is holding up well under all the hard work. I also received it quickly, which was important, and the price was

better than I could have gotten it for from the publishers. All in all everything met or exceeded my expectations. 0 of 0 people found the following review helpful. Five Stars By Geronimo Classics great product and seller AAA 3 of 3 people found the following review helpful. Gypsy Vocal Selections [piano-vocal score] By Emily Toohill The book does not contain all of the songs from the show or all of the verses to the songs it does include. It is easy to read and includes pictures.
