Options abound in this flexible arrangement: it stands alone for handbell choir, but also offers optional parts for organ and/or trumpet. If desired, this setting may be used to accompany the choir/congregation in singing the hymn from your hymnal of choice. The repeats may be omitted when singers are not involved. Each stanza offers a new texture before returning to the joyful refrain. / Handbell Sheet Music / Handbell 3-6 octaves / Optional Organ, Trumpet, Handchimes 3-5 octaves, Congregation / Ascension, Eastertide, General, Pentecost
