Lucy Porter : Hairy Hunks: A Celebration of Shaggy Stallions before purchasing it in order to gage whether or not it would be worth my time, and all praised Hairy Hunks: A Celebration of Shaggy Stallions:

1 of 1 people found the following review helpful. clever and witty By David C. Cornonly a few sexy pics, but pretty funny Book is small in size, but more of a humorous than sexy book.

From Burt Reynolds to Jake Gyllenhaall, Tom Selleck to Orlando Bloom, Hairy Hunks seduces and sizzles on every page, with the very hottest in lustrous, luxurious, and sexy hair. In the bestselling tradition of Gods Gift, this hilarious, kitschy follow-up showcases over three decades of the most beloved actors, athletes, and musicians, with one thing in common: whether your tastes run to long manes, furry chests, or manly muttonchops, youll swoon for their hair. Stuffed with pictures of gorgeous man-candypaired with hilarious captions in a fun and colorful package, Hairy

Hunks is bound to please. Oh yeah.

About the Author Lucy Porter is a stand-up comic, writer, and admirer of hairy men. After developing an early affection for fuzzy chests, Lucys thing for hirsute men grew over the years she was at an impressionable age during the eighties designer-stubble fad, and realized that she secretly preferred the full-on ZZ Top look. She was delighted when Jake Gyllenhaal grew a beard. She lives in London.
