From Hal Leonard : Hal Leonard Donizetti L'elisir d'amore (Vocal Score) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hal Leonard Donizetti L'elisir d'amore (Vocal Score):

By ECN Since I hadn't had previous access to this opera at my university library and the one good version on imslp.org is opern scored, my only expectation was being able to read this copy! It doesn't let the singer down. I guess the one downside is that there is no english translation but c'mon singers! We cannot rely on some editor's English translation to sustain the storyline the way that Felice Romani intended it to be told...I have no issues with this score at all.

Italian only, with an introductory plot synopsis in English.
