**From Hal Leonard : Hal Leonard's Rhythm Flashcard Kit** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hal Leonard's Rhythm Flashcard Kit:

(Choral). This is the rhythm game you've been waiting for! The rhythms are divided into two levels of difficulty and each of the 48 cards features a common rhythm pattern. Both sides of the cards are laminated for durability and for use with wipe-away dry erase markers. This allows you to create your own rhythm patterns for students to read, or for the students to use in learning to write notes and rhythms, rhythmic dictation, and a variety of other fun rhythm activities. Grades 3-8.
