Brings Back Memories By Gregory D Priceless for old-school Halo fans but for four dollars you can't go wrong! 0 of 0 people found the following review helpful. 38 and still playing! By Mykhal O. Swearingen I got this guide for the game that I had to buy again for my son, and even though I've been around since the game "Pong", (ask your parents) I've seen the growth of video games to today's runners, and I have to say that I've played lots of games, I find this book to more than helpful. After playing the level, you can save your progress and go back and search out more items. I use it along with the game, my 9 year old boy laughs at me because I pause the game and look over the plan of action before going into battle!
