David Hodgson : Halo 3 ODST: Prima Official Game Guide (Prima Official Game Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Halo 3 ODST: Prima Official Game Guide (Prima Official Game Guides):

The audio files are cleverly listed as "classified information" and not shown on any of the otherwise detailed maps. Near the back of the book, in the listing for Mission 10, the maps do list how many you can find in each district. The districts are relatively small but this is one of the major things I bought the guide for. 0 of 0 people found the following review helpful. Incredible Videogame

GuideBy KalelvsZodThe Halo 3 ODST guide is incredibly constructed. It has a great and descriptive walkthrough with information where to find certain objects. It also has detailed facts on all the enemies, weapons, and vehicles that appear in the game. The guide looks great too, with plenty of nice screenshots and maps.0 of 0 people found the following review helpful. Great guideBy Secret Agent ManHalo is my all time favorite..I've had the pleasure of playing halo from the onset. I recommend this guide for any and all Halo fans.

* Move Out Soldier - Complete coverage of the single player missions. With labeled maps for New Mombassa and tactics included for the Legendary level of difficulty. * Team Up - Intense Firefight Co-Op strategy to ensure you and your squadmates survive. With input from the actual developers and testers to give you the inside track.* Clan Wisdom - All Halo 3 multiplayer maps with breakdowns and tips from some of the best clan players out there. * Rise Through the Ranks - Detailed info on every Achievement from Halo ODST and Halo 3. More than a list, instructions and tips for every one.
