Franz Liszt : Hamlet (Symphonic Poem No.10), S.104: Study score before purchasing it in order to gage whether or not it would be worth my time, and all praised Hamlet (Symphonic Poem No.10), S.104: Study score:

Inspired by the well-known Shakespeare tragedy, Hamlet is number ten in Liszt's revolutionary series of thirteen tone poems for orchestra. It was composed in 1858 but did not receive its premiere for 18 years - on 2 July 1876 in Sonderhausen. This new study score is a digitally-restored reissue of the score edited by Otto Taubmann in the fifth volume of the Liszt-Stiftung edition, published in 1909. As with all PLP scores a percentage of each sale is donated to

the amazing online archive of free music scores and recordings, IMSLP - Petrucci Music Library.
