Ray Galton, Alan Simpson : Hancocks Half Hour: Series 3: Ten Episodes of the Classic BBC Radio Comedy Series before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hancocks Half Hour: Series 3: Ten Episodes of the Classic BBC Radio Comedy Series:

Tony Hancock stars with Sid James and Kenneth Williams in the legendary BBC Radio comedy series. Created by Ray Galton and Alan Simpson in 1954, Hancocks Half Hour was the radio vehicle that made Tony Hancock a household name. Each week listeners would be admitted to the sometimes fantastical, sometimes mundane life of the lad himself. Aided and abetted by Sid James, Andre Melly, Bill Kerr and Kenneth Williams, Hancock would enter into the spirit of each episode with characteristic dolefulness. This collection of 10 episodes represents the surviving archive from the third radio series, along with PDF booklets featuring episode guides, series notes, cast biographies, and specially written introductions by Galton and Simpson. Also included are two radio documentaries about Tony Hancock: Stone Me, What a Life! and The Complete and Utter History of Hancock. The episodes included are The Pet Dog; The Jewel Robbery; The Bequest; The Blackboard Jungle; The Diet; Hancocks Heir; The Student Prince; The

Greyhound Track; The Conjuror; and The Test Match. 7 CDs, 418 minutes
