From Brand: Alfred Music : Handel -- First Book for Pianists (Alfred Masterwork Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Handel -- First Book for Pianists (Alfred Masterwork Edition):

1 of 1 people found the following review helpful. RecommendedBy wolfie Even a novice like me can pick up these tuneful melodies! Move over Beethoven indeed!

Selected from Handel's attractive teaching pieces, this volume contains a wide variety of dances, several sonatinas, a suite for a musical clock and several titled pieces. Lucktenberg's edition includes suggestions for tempi, fingering, dynamics and phrasing. Ornaments are realized and a brief biography of the composer is provided. The collection is an

excellent choice for exposing early-intermediate students to this often overlooked Baroque keyboard composer.
