**From Brand: House of Joy Publishing : Handel's Messiah: Complete Vocal and Orchestra Score** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Handel's Messiah: Complete Vocal and Orchestra Score:

0 of 0 people found the following review helpful. Nice to have the full score, but it has mistakes. By Jason Fabritz Sadly, I went straight to the Hallelujah Chorus and found engraving errors, p. 231. Also, it appears that the dpi of the proof and the printer rendering the pages are not well calibrated. Some staves have thicker lines than others, this happens when there are dpi mismatches like this. A typical laser printer at work might have produced a better print.

Handel's Messiah. Complete, unabridged orchestra and vocal score from the original manuscript. Newly engraved.

Perfect for performance, or for Messiah "sing-alongs." Newly engraved edition from Handel's original manuscript.
