**Susan Anderson : Hands On: A MANual for Getting the Job Done** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hands On: A MANual for Getting the Job Done:

Hands On is the Complete PackageThis titillating tome and handy reference book is perfectly suited for anyone who needs a little extra help around the house. Told from the perspective of a group of hunky handymen, the book includes 10 home improvement projects with step-by-step instructions, dozens of photos, and plenty of eye-candy between the covers.Projects include: A well-hung mirror, Fixing a squeaky bed, Caring for hard wood, Penetrating pipes, And more!

About the Author Susan Anderson is a fine art and professional photographer who shot the bestselling Porn for Women series, so this wasn't her first time trying to act cool around semi-clad men. Her work has been published in numerous magazines including Los Angeles, Playboy and Glamour. Susan lives in Los Angeles, California. Carrie Snow is a writer and comic.
