**From G. Schirmer : Hansel and Gretel: Vocal Score (G. Schirmer Opera Score Editions)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hansel and Gretel: Vocal Score (G. Schirmer Opera Score Editions):

2 of 2 people found the following review helpful. Words not always used By The Equestrian Review The words in this score and not what is generally used in recordings at major opera companies. The words tend to be more kid friendly, not too scary. Sometimes the vowel sounds on higher notes are not the best choice for singers. The piano in most sections is well filled in but difficult. In some of the barer sections it is rather scarce and leaves the singer unsupported in some instances. Still it is singable and widely used by smaller companies. 0 of 0 people found the following review
