Hans-Josef Irmen : HANSEL AND GRETEL VOCAL SCORE GERMAN ENGLISH (English and German Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised HANSEL AND GRETEL VOCAL SCORE GERMAN ENGLISH (English and German Edition):

7 of 7 people found the following review helpful. This piano-vocal score cannot be recommended too highly. By John Moyer This piano-vocal score cannot be recommended too highly. It is larger and more readable than the more expensive Peters Edition. It is also the only score I know of this opera with both the original German text and an English adaptation. It also lies fairly flat on the music rack, which is nice. 0 of 0 people found the following review

helpful. The score to get if you want the German first. By Josette I am learning the "mother" role for a workshop. It is the edition we are using. No mistakes in it that I can see.....I don't always agree with the English translation, but it is OK. Has English translation, but German first. 5 of 5 people found the following review helpful. So glad to find this! By SPE exactly what I was looking for; this is the version I kept referring to at the music library. The bottom right corner was slightly damaged in shipping, which is a bummer when buying a new score, but it doesn't affect anything but aesthetics.

(Schott). Text in German and English
