**Lucinda Coxon : Happy Now? (Coxon) - Acting Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Happy Now? (Coxon) - Acting Edition:

1 of 2 people found the following review helpful. Another wonderful play from Lucinda CoxonBy Coco PazzoThis is a very entertaining play from Lucinda Coxon, a wonderful Welsh playwright who never caught on in America, despite having had several of her plays premiere at South Coast Rep in California. This play does own an intellectual debt to Caryl Churchill's (modern feminist) plays, but unlike Churchill's plays it is quite accessible, as well as well-written.

This is a painfully truthful, occasionally cruel, yet laugh-out-loud funny comedy of social and sexual manners set among the urban, thirty-something middle classes. *Happy Now?* marks the arrival in the mainstream of an acerbic new playwright with a gift for social comedy.

About the Author Lucinda Coxon's previous plays include *Waiting at the Water's Edge* and *Wishbones*. *Happy Now?* is her debut National Theatre play.
