Jack Webb : Hard Boiled Detectives before purchasing it in order to gage whether or not it would be worth my time, and all praised Hard Boiled Detectives:

HARD BOILED DETECTIVES collection includes 10 cds of digitally restored and remastered broadcast radio episodes in Dolby Digital Stereo. 22 episodes in all, they consist of the following: Yours Truly, Johnny Dollar: The Plantagenet MatterBulldog Drummond: The Hi-JackersBulldog Drummond: Claim Check MurdersBoston Blackie: The Escaped PrisonerBoston Blackie: Larry Brown CaseThe Adventures of Sam Spade: Dog Bed CaperThe Adventures of Sam Spade: Crab Louie CaperAdventures of Phillip Marlowe: The Strangle HoldAdventures of Phillip Marlowe: The Heart of GoldYours Truly, Johnny Dollar: Arrowcraft MatterThe Falcon: Gangster's GirlBarry Craig, Confidential Investigator: For the love of MurderBarry Craig, Confidential Investigator: Midsummer LunacyJeff Regan, Private Investigator: The Man who liked the MountainsJeff Regan, Private Investigator: Lady with no NameJeff Regan, Private Investigator: The Man with the KeyPat Novak, For Hire: Dixie GillianThe Lux Radio Theatre: Lady in the LakeThese episodes are a good introduction to the radio detectives of 1940s and 50s. There were also detectives that were not so hard boiled with shows on the air, like Charlie Chan and The Saint. They need their own collection, yes? Personal favorite here: Yours Truly, Johnny Dollar with Bob Bailey. But there are other gems buried in this mix for classic radio fans.

10 CDs, 10 Hours, 22 episodes of Sam Spade, Philip Marlow, Boston Blackie, Johnny Dollar and more!
