a hard, borderline extreme player. This is a great book for when I'm in the mood for hard, but not too hard. It has three levels, all workable with a little brain power. 1 of 1 people found the following review helpful. This is pretty frequent, so far 2 out of 15. By m rice A friend of mine convinced me to try the hand worked puzzles - as opposed to computer created puzzles. Can't say I'm all that impressed. They're hard, but a lot of the difficulty is the usual difficulty - there's more than one solution. I take the time to prove out several solutions when I hit these - every so often I realize I've made an error and I can quickly solve to one solution. This is pretty frequent, so far 2 out of 15. Still, the paper is nice, there's room to write in possibilities, the book is an excellent size to carry about (perfect for doctor's office, etc.). So, it's nice, but I wouldn't go out of my way to recommend it. 1 of 1 people found the following review helpful. REALLY HAPPY. By Laura Mcbirney Great book!

This is a book of difficult Sudoku puzzles. Some of the puzzles require you to apply advanced Sudoku solving techniques such as X-Wing or Swordfish. However, all puzzles can be solved without guessing and have one solution only. If you need help, you can always peek at the solutions. Remember: do not guess! The book is small in size but the numbers are printed in large font, easy to read. _____ hard sudoku, hard su doku, hard sudoko, hard soduko, hard sudoku book, hard sudoko book, hard su doku book, hard sodoku book, book with hard sudoku, hard sudoku puzzle book, puzzle hard sudoku book, hard sudoko puzzles book, hard sudoku puzzles, difficult sudoku, difficult su doku, difficult sudoko, difficult soduko, difficult sudoku book, difficult sudoko book, difficult su doku book, difficult sodoku book, book with difficult sudoku, difficult sudoku puzzle book, puzzle difficult sudoku book, difficult sudoko puzzles book, difficult sudoku puzzles, expert sudoku, expert su doku, expert sudoko, expert soduko, expert sudoku book, expert sudoko book, expert su doku book, expert sodoku book, book with expert sudoku, expert sudoku puzzle book, puzzle expert sudoku book, expert sudoko puzzles book, expert sudoku puzzles, advanced sudoku, advanced su doku, advanced sudoko, advanced soduko, advanced sudoku book, advanced sudoko book, advanced su doku book, advanced sodoku book, book with advanced sudoku, advanced sudoku puzzle book, puzzle advanced sudoku book, advanced sudoko puzzles book, advanced sudoku puzzles
