**From Brand: Thunder Bay Press : Harmonica (Retro Tins)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Harmonica (Retro Tins):

The harmonica is a free reed wind instrument that was developed in Europe during the nineteenth century. It is played by blowing and drawing air through the instrument, in either one or multiple holes at a time for different effects. It gained popularity through various musical genres, including folk, blues, jazz, country and good old rock and roll. Learn a brief history, how to clean and maintain your instrument, and how to play some classic favorites.- A classic instrument to add to your musical repertoire.- Learn all the essentials of the harmonica with this one compact, deluxe set.Feeling blue? Harmonica offers everything you need to play one of Americas favorite instruments.
